Happy 4th of July - we will be closed for Independence Day

Summer Sizzlers - July 5th

When the sun comes beating down this summer will you have the right wine to take the edge off? We do! Cool and crisp Sauvignon Blancs, fresh and fruity Roses, chilled Viogniers, pool side Reds, and hearty Zins for the barbeque.

Vines on the Marycrest - July 11th & 12th

Located on 26 acres of rolling hills in the Westside of Paso Robles, Vines on the Marycrest was established in 2004 as the dream of owner and winemaker Victor Abascal. All the wines are handcrafted blends made up of Syrah, Cabernet Sauvignon, Grenache, Mourvedre, and/or Zinfandel.

Beer Thursday - June 17th

Flying Goat Winery – July 18th & 19th

Owner and Winemaker Norm Yost has been making wine for over twenty five years. He has found his niche crafting Pinot Noirs that are reasonably priced and ready to drink upon release. Norm will be pouring his new releases of Pinot Noir, Goat Bubbles sparkling Rose, and Pinot Gris along with some old favorites on Saturday.

22 Hundred Cellars - June 25th & 26th

22 Hundred Cellars broke ground in the summer of 2006 as a joint venture between three friends. Their focus is on a Rhone blend of Mourvedre, Syrah, and Grenache, an intense full bodied Petite Sirah, a bright, full flavored Chardonnay, and a crisp Chenin Blanc. These wines are sourced from top vineyards in Paso Robles and Monterey County. Owner/Winemaker Andrew Jones will be pouring and answering questions on Saturday.
